

We subscribe to Dish Network and I have been trying to get a waiver from KATU ABC Portland so that we can get ABC Denver. They have refused to give us this waiver and I feel that this is not right. When you are paying for a service, I feel the choice should be ours. I would like the FCC to help us if at all possible in this request. As a consumer, we should have the right to purchase what works best for us in our TV viewing. Dish Network just says that it is up to the local station to provide the waiver. I think they are just forcing us to watch their broadcast, which I really don't like. Does the FCC have any suggestions on how to pursue this?

Thank you
